

# Take Our 90 Day Challenge!

There are numerous factors that will determine how quickly, and profoundly a natural product will begin to noticeably benefit the consumer. This includes, but is not limited to, a person's body chemistry, prescribed medications, and lifestyle. While many consumers have reported exceptional results within the first few weeks of daily use, we have found that a smaller percentage typically achieve maximum benefits from our products by the third month of use.

Take the challenge by using one of our 30 Day Supply Dietary Supplements for three (3) months consecutively, and after experiencing amazing results, we will send you a month's supply FREE! **Simply send in three (3) proofs of purchase (Cut out the UPC Barcode from the bottom of the box), include the original receipt(s), and a check or money order for \$6.95 for shipping and handling.** (Details also available on applicable product packaging)

This is now an on-going promotion as a way of thanking our loyal customers. You can take advantage of the Free Product Offer every time you accumulate 3 UPC's & receipt(s). We have also added a more convenient value sized 90 count option, with the savings already built in for many of our more popular products (Ask your retailer).

Simply include the above outlined items, and send them via USPS to:
